

Regulation

OPERATION AND MAINTENANCE OF PLANT

Chief Custodian

The chief custodian shall have a black seal fireman license and shall acquire skills to operate machines while performing his/her duties. He/she shall supervise the custodial staff in his/her building and shall report to the superintendent. The chief custodian shall report to the administration the work and performance of all supplementary custodial janitorial personnel.

Custodians

Custodians shall possess the necessary training skills and temperament that, in the board's judgment, will enable them to carry out job requirements. School custodians shall be assigned to operational and janitorial duties for the buildings and grounds maintenance and shall be immediately responsible to the chief custodian.

Part-Time Custodians

When the board feels it necessary, part-time custodians shall be hired. They shall work under the chief custodian's direction and shall be compensated on an hourly rate to be determined by the board.
