

REPORTING TO PARENTS/GUARDIANS

The Mainland Regional High School District Board of Education believes that the cooperation of school and home is vital to the growth and education of the whole child. It recognizes its responsibility to keep parents/guardians informed of student welfare and progress in school.

The board directs the establishment of a system of reporting student progress that shall include written reports, student-teacher conferences, and parent/guardian-teacher conferences. If the parent/guardian's primary language is other than English, translation shall be provided whenever possible.

The superintendent shall develop procedures for reporting student progress which:

- A. Use various methods of reporting appropriate to grade level and curriculum content;
- B. Ensure that both student and parent/guardian receive ample warning of a pending grade of "failure" or one that would adversely affect the student's status;
- C. Enable the scheduling of parent/guardian-teacher conferences in such places and at such times as will ensure the greatest degree of participation by parents/guardians;
- D. Specify the issuance of report cards or progress reports at intervals of not less than four times during the school year.
- E. Ensure the continual review and improvement of methods of reporting student progress to parents/guardians and involve students, staff and parents/guardians in that review.

A record shall be kept indicating the legal custodian of each student, so that reports can be made to and conferences arranged with the proper person.

Parental Notification

The superintendent shall develop regulations to ensure that parents/guardians are notified in all instances when the law and/or the best interests of the student and the district require it.
