Dear Parents and Guardians:

April 10, 2017

This letter is to inform you about the Advanced Placement Exams, which will take place **Monday, May 1** through **Friday, May 12, 2017**. The AP testing schedule with room locations can be found on the second page of this letter. Most of the exams have many participants, which will require time for check-in, distribution of materials, etc. Please make sure your child arrives at least **15 minutes prior to the start time** of the exam.

Students SHOULD bring the following items to the exam room:

- Several sharpened No. 2 pencils with erasers for all multiple-choice answer sheets;
- Pens with black ink for completing areas on the exam booklet covers and for free-response questions;
- A watch in case the exam room does not have a clock that you can see easily;
- A calculator (and extra batteries) that has the necessary capabilities if your child is taking an AP Calculus, Chemistry, Physics, or Statistics Exam. Visit www.collegeboard.com/apstudents to learn more about the calculator policy and for a list of authorized calculators;
- A ruler or straightedge if your child is taking an AP Physics Exam.

Students SHOULD NOT bring the following items to the exam room:

- Cell phones, PDAs, MP3 players, computers, or calculators (except as noted above); and any other electronic or communication devices;
- Books, compasses, colored pencils, correction fluid, dictionaries, highlighters, or notes;
- Rulers and straightedges (except as noted above);
- Scratch paper. Notes can be made on portions of the exam booklets;
- Watches that beep or have an alarm;
- Clothing with subject-related information.

Students are required to abide by the policies of both the College Board and MRHS during the exam period. Any misconduct will be reported and could jeopardize your child's AP Exam grade.

Be sure to review the ***2016-2017 Bulletin for AP Students and Parents***. Students may pick up a copy of this bulletin in the Guidance Office if they have not already done so. Please contact the Guidance Office at 609-927-4139 if you have any questions or concerns.

Sincerely,

Nathan J. Lichtenwalner
Director of Guidance
Mainland Regional High School
