Dear Incoming Seniors,

Parking in the Senior Parking Lot is a privilege and the high school, with the support of the Board of Education, requires all **seniors** seeking parking privileges during the 2018-2019 school year to attend a mandatory presentation on Wednesday, September 12 at 6:30 PM in the high school's auditorium. Seniors must be accompanied by a parent or guardian regardless of age. A second presentation will be scheduled on Thursday, September 27, 2018 at 6:30 PM for seniors, parents, and guardians that were unable to attend the first presentation.

Seniors that attend the presentation will need to show 1) proof of insurance, 2) a valid driver's license, and 3) a vehicle registration to earn the privilege of parking in the Senior Lot this year. Seniors that obtain their license within this school year, but do not currently possess a graduated driver's license, should attend this presentation accompanied by a parent/guardian if they want to park in the Senior Parking Lot this school year.

This presentation will highlight the high school's expectations for students who drive on school grounds and park in the Senior Parking Lot. In addition, the presentation will include important information on New Jersey's Graduated Driver's Licensing and the *Share the Keys* program. *Share the Keys* is supported by the South Jersey Traffic Alliance, the New Jersey Office of the Attorney General: Division of Highway Traffic Safety, and the Linwood, Northfield, and Somers Point Police Departments. This outreach program is to promote safety and to expose teens and their parents to the Graduated Licensure process. Statistics have shown that people are at the highest risk of being involved in a car crash during their first 12 to 24 months of driving.

Again, all **seniors** who want the privilege of parking in the Senior Parking Lot this year must attend the presentation, accompanied by a parent/guardian, on Wednesday, September 12 at 6:30 PM in the High School's auditorium. A second presentation will be scheduled on Thursday, September 27, 2018 at 6:30 PM for seniors, parents, and guardians that were unable to attend the first presentation. If either the student or parent/guardian are unable to attend one of these presentations, the senior will not have the privilege of park in the Senior Lot.

Thank you in advance for your understanding and continued support.
