

APES (AP Environmental Science)

Summer 2017

Assignment

Read and respond to the following books:

- “Folks, This Ain't Normal: A Farmer's Advice for Happier Hens, Healthier People, and a Better World”, Joel Salatin 2011.
- “Collapse”, Jared Diamond 2005.
- “Toms River: A Story of Science and Salvation”, by Dan Fagin 2013

Responses will be a minimum of 350 words. You decide how to respond (just be interesting and don't summarize). There will be a quiz for each book as well when the school year begins.
